

or reject them, thus denying consent. There are myriad ways to offer advice to the executive branch; here's a brief description of our process in Florida.

Florida's Federal Judicial Nominating Commission, a diverse non-political panel comprised of attorneys and lay persons, receives and reviews applications from prospective federal judges. The Commission forwards top candidates to my attention. This screening process evolved so that Senator CONNIE MACK and I jointly interviewed leading applicants and made joint recommendations to the White House.

During the period that Mr. Hill has served as chairman of this Commission, the United States Senate has confirmed the nominations of the following Floridians to serve as United States District Court judges:

MIDDLE DISTRICT

The Honorable John Antoon II
The Honorable Richard Lazzara
The Honorable James Moody
The Honorable Gregory Presnell
The Honorable John Steele
The Honorable James David Whittemore

NORTHERN DISTRICT

The Honorable Stephan Mickle

SOUTHERN DISTRICT

The Honorable William P. Dimitrouleas
The Honorable Alan Gold
The Honorable Paul C. Huck
The Honorable Adalberto Jordan
The Honorable Donald Middlebrooks
The Honorable Patricia A. Seitz

By any measure, this is an impressive list. We express our appreciation to the Senate Judiciary Committee and its chairman, Senator ORRIN HATCH, for prompt and thorough review of nominees from Florida.

As we approach the end of the 106th Congress, we salute the citizen involvement of the dedicated men and women who serve on Florida's Federal Judicial Nominating Commission. Its members and its chairman, Mr. Benjamin Hill III, personify public service.●

TRIBUTE TO JOE DINI

● Mr. BRYAN. Mr. President, the Speaker of the House of the Nevada State Assembly is one of Nevada's treasures and he happens to be a very close personal friend of mine.

I have been privileged to know Joe Dini since I first served with him in the state assembly during the 1969 legislative session and I continue to value his friendship.

Joe Dini was born and raised in the small town of Yerington, NV, he attended the University of Nevada and returned to the community of his birth to work along side his father in the family business.

In 1966 he was elected to the Nevada State Assembly, the first of his 17 terms; a record unrivaled since our state entered the union in 1864.

As a legislator, he has become the legislature's leading authority on west-

ern water issues. He served on the Western States Water Council and chaired the Water Policy Committee of the Council of State Governments-West.

In 1973, he was selected by his colleagues to serve a Speaker Pro Tempore and the following session, in 1975, as Majority Leader.

During his long and distinguished tenure, the State of Nevada has undergone dramatic changes. The state's population has increased by more than five fold. Nevada has become more urban and most of the state's population growth has been in Southern Nevada which now accounts for two-thirds of the state's population.

Not only is Joe Dini the longest serving member of the Assembly, but he has also been elected by his peers as the Speaker of the Nevada State Assembly an unprecedented eight times. Another record unparalleled in our state's history.

This extraordinary accomplishment is even more remarkable when one considers that rural Nevada, Joe Dini's political base, today represents just 15 percent of the state's over all population. He is a Nevada treasure, the likes of which we will surely not see again.

Now in the twilight of his career of public service, he is being showered with the honors and recognition he so richly deserves.

As with so many of us who have pursued a life of public service, Joe's family, his wife and his children have sacrificed much to make his service possible. Nevadans owe a debt of gratitude to Joe Dini's family as well.

I am pleased to join with Joe's many friends in paying my respect, to my friend—the much loved and respected, and Pizen Switch's number one citizen, Joe Dini.●

TRIBUTE TO ROGER SANT

● Mrs. FEINSTEIN. Mr. President, it is my privilege to recognize the truly world-changing efforts of Roger Sant, a distinguished and successful businessman who, in his six years as Chairman of World Wildlife Fund, has brought profound changes to the way conservation is accomplished here in the United States and, indeed, around the world.

Having taught corporate finance at Stanford University's Graduate School of Business early in his career, Mr. Sant moved east to lead the Ford Administration's energy conservation efforts as head of the energy conservation program at the Federal Energy Administration. In 1981, he founded AES Corporation, a publicly held global power company characterized by its innovative approaches to energy production. Throughout his career, culminating in his chairmanship of WWF, Mr. Sant has been committed to conservation in all its aspects, inspired by

the imperative of leaving a living planet to future generations.

As the involved and inspiring chairman of World Wildlife Fund, Mr. Sant has encouraged the organization to think big, working to achieve conservation results at a new ecoregional, landscape scale. He has applied his business acumen as well as a range of skills and approaches honed through his work in government, academia, and the nonprofit world to make a compelling case for conservation to decision makers around the world, from heads of state to government leaders in the United States. Encouraging partnerships, he has supported significant and innovative cooperative arrangements between conservation organizations, governments and private entrepreneurs, and among governments, all with the goal of advancing conservation priorities at a scale that can achieve lasting results. His personal support of conservation initiatives has made a world of difference.

As Roger Sant steps down on September 19 after six years as WWF Chairman, he continues his personal commitment to conserving the world's endangered species and spaces. Based on his track record, we all can give thanks for his substantial conservation achievements as well as for all we know he will achieve for conservation in the coming years.●
